## Annual Report of the Year 2019-20

Good evening everybody,

Ambika Bala Vidyalaya sponsored by Nattoja Foundation Trust (R) is an upcoming institution with Indian thinking, along with its other three sister institutions expecting to be affiliated to the CBSE Board in the near future. It is my pleasure to give a birds-eye view about the institution for the year 2019-20.

The institution which began seven years ago with a single student now has 320 students with Sri Nattoja Shivananda Rao as the President, Sri Subramanya Nattoja as the Correspondent, Smt Rajashree Nattoja as the treasurer and Kum. Vaidehi and master Shrikrishna S Nattoja as the Trust members. It was, is and will be run with the holy blessings of Sri Sri Bharathi Thirtha Swamiji of Sri Sharada Peeta Sringeri.

The institution is always guided by an experienced governing council which includes Smt. Shakuntala Nayak as an executive director, Sri K Suresh Shetty, Sri Purandara Bhat P, Sri Lakshmish Tholpady, Sri Prasanna Bhat N, Dr.T Srikanth Rao, Mr. Sathya Prasad Kote as the members.

The institution which took its birth as a Kannada medium school has successfully changed into an English medium school and also claimed its status as Tulu linguistic minority school and has secured NOC from the state to go for CBSE Board affiliation. The school is upgraded to higher Primary level from lower Primary.

The school has 15 regular well trained, dedicated teaching staff, one guest teacher, two administrative staff and a Campus director Sri Venkatesh Bhat, an Ex-Police officer, for the smooth functioning of the school.

Along with these our students are trained in Bharatha Natyam by Kum. Shwetha, Carnatic Classical Music by Vidhushi Shilpa C.H, Karate by Sri Suresh, Yakshagana by Sri Balakrishna Uddangala, Swimming and Scatting by Sri Yashwantha and team, Yoga by Smt. Sharavathi and team, Samskara Deeksha by Sri Srikrishna Upadhyaya, value education by Sri Durga Parameshwara, Abacus by Smt Vanamala and team and also we have a regular Counselling staff Smt. Shushmitha Shetty to help the needy students and parents in the field of studies and behaviours.

Computer is being taught from first standard itself as a subject.

Smart board education is also introduced as a part of teaching.

Mid-day meal arrangement is also made in the school for the needy students.

For the all round development of the students we follow the C C E pattern where not only written testes are taken into Consideration, or as a parameter for promotion, but also a lot of other activates in and out of the class, projects assignments etc are also included. The performance of the child through the year is accounted for the promotions.

The activities of the school throughout the year are given well in advance to the students to plan and channelize their talent in various fields. Though NCERT does not support pacca

competition, we organise lot of achiever with a intention to have a healthy, positive attitude among the students where we encourage the students to take part in at least 7 items out of the listed 14 to 15 items , that too with a stress to go for 4 on the stage and 3 off the stage. To boost self confidence in them many assembly activities, lab activities, educational outings and celebration are observed periodically.

The day in Ambika Bala Vidyalaya begins with Shloka, Dhayana, Bhajan, Bhagavadgeetha, Chantings, nitya panchanga, News Reading, Shtrotras, Ashtakam etc. Students are asked to share their special experiences, the book they read about and various other things in the assembly. In addition to this our students are exposed to many kind of external competitive exams like Olympiad, spell bees, Goloka Quiz, Drawing, Colouring competitions, Prathibha karanji , Inspire awards etc.

To develop a healthy competition we have four houses like Kalpavruksha, Kamadhenu, Airavatha and Amrutha with different house uniform and an in change teacher.

We have introduced Scouts and guides wing in our school and our students have taken part in the Camp held at Subhoda school Aarlapadavu, Panaje, Puttur and have won a good appreciation for their active participation and group spirit , under the able guidance of cub master Sri Sathisha K and guide captain Smt Chandrakala.

Like the previous years this year the academic session began in a traditional way where the students were welcomed with band, music, Arathi, Kumkum and were blessed by Suresh Shetty Sir. To create awareness about the environment, 'world environment day' was observed. Talents day was organized to encourage the new comers. The school election was held in a democratic way. It was followed by an investiture ceremony where new prefect team was honoured by Sri Subramanya Nattoja and Kumari Sri Lakshmi S C and Vardhin D Rai took the oath as the SPL and the ASPL.

The world yoga day was enlightened by Smt Sharavathi and Smt Bharathi. The students of class IV have trained for a week in Sudarshana kriya yoga and are being continued in daily assembly for about 13 minutes. Several other important days were observed in such a way to widen their knowledge and to create awareness about it.

'Ambika' is known for its many firsts and also for fostering the spirit of patriotism among the students. Along with the college students, our students also took part in the route march on Independence Day with slogans to create awareness in the society about the importance of the day.

Kargil day / Vijaya divas was also observed in the same manner. The students paid homage to the Martyrs by offering flowers at Amar Jawan Jyothi. The major festivals like Gurupurnima , Ganesha Chaturthi , Srikrishna Janmashtami , Sharada Pooja , Shastri-Gandhi Jayanthi , Raksha Bandhan, Teachers' day, Children's day etc were observed.

Under the 'Go green' concept for the third time, some 320 saplings were given to our students by the students of the Ambika PU College under their 'Dasha Sahastra Vruksha' project .

In the KG section, colours day and Grandparents day were observed. Several Grand parents took part in it and enjoyed the day with the kids by rejoicing many a funny games. This was a small effort to a bridge the gap between the two generations. Prof Arthikaje had graced the occasion and donated a set of books on Ramayana to our library in addition to the books that he already contributed to our library. The KG kids had taken part in Diya decoration on account of Dipavali. To

encourage cleanliness in the class room weekly, classroom decoration concept is being introduced on a trial basis. Under educational visit, our students visited the Paddy fields.

PTA meetings held regularly on every second Saturdays and one to one meetings were also held regularly.

Our students participated in various competitions in Prathibha Karanji for the first time and bagged prizes. Nidhi of class 4 took part in district level Prathibha Karanji and was appreciated by all. Roshan Sharif of class v gave a magic show in the town.

Annual sports meet was held on 29th of November where Aarya Mohan of class II, Niharika of class II, Anitej of class III, Lasya Kishan of class III, Avani U N of class V and Vardin D Rai of class V are declared as champions. On November 1st our students gave a wonderful performance in the town on account of Kannada Rajyotsava. On children's day the staff members entertained the students with their talents through a roopaka.

As assured in the last year this year too free education is sponsored for two students from the military quota and a reduction of Rs.3000/- is given to all the children of those parents, who are serving the Nation in all military fields.

This year too we have observed 'Swachachata Pakawad' program for a week through many activities to create awareness about it.

Before winding up we solicit the kind co- operator from all the parents specially, Karthik kemminje's parents who contributed to the library books, Dr.Prashanth (Parent of Amshaka) contributed a ball to the school. Parents of Parikshith IV and Pradyamna of II contributed a huge Kaludeepa.

- Thank you -

### **School Circular: (Academic year 2020-21, Sent to Parents)**

- ❖ 15/05/2020: Please send the following information immediately to my WhatsApp to be send to BEO office today itself.
- ❖ 18/05/2020: Instructions: D/P, Welcome to the activity session... We have sent links of 4stories.With your assistance let the child read the story. Link can be down loaded and can be read offline. After reading, child has to answer a set of questions given. Please take a photo of the answer written and send it to the following WhatsApp number on or before Wednesday 20<sup>th</sup> May.
- ❖ 01/06/2020: Congratulations students... You are promoted to the next academic year. You have successfully completed your activities which have been given to you. Now we are going to give Subject wise activities.
- ❖ 06/06/2020: Tomorrow a half an hour Radio programme performed by the students of Ambika Bala Vidyalaya, will be broadcasted between 10a.m. to 10.30 a.m. from Mangalore Radio Station. So please do tune to 100.3 FM. Listen and support our young talents.
- ❖ 05/07/2020: Very shortly we are going to start the online classes of the academic year 2020-21 as per the guidelines of the Government for all the classes. We will inform you the details regarding the process of online classes. All the steps will be taken to make it a convenient process.
- ❖ 06/07/2020: SC/ST/OBC/MINORITY COMMUNITY, have to submit the Xerox copy of caste certificate by 08/07/2020.
